Y Gymdeithas

Yn wreiddiol, ffurfwyd Cymdeithas Crefftwyr Gwynedd yn 1980 fel cymdeithas di-broffid gyda'r amcan o hyrwyddo crefftwyr lleol a'u cynnyrch. Yn 1989 ehangodd i gynnwys crefftwyr o Glwyd. Mae'r amcanion gwreiddiol yn parhau, bellach dan yr enw Cymdeithas Crefftwyr Gwynedd & Clwyd.

Mae'r Gymdeithas yn ymfalchio yn safon uchel crefft a saerniaeth yr aelodau, ac yn trefnu nifer o ffeiriau crefft trwy Ogledd Cymru bob blwyddyn, gan roi cyfle i'r aelodau arddangos eu gwaith i'r cyhoedd.

Mae'r cynnyrch ar werth gan ein haelodau naill ai wedi'w gwneud yn gyfan gwbl neu'n sylweddol gan yr aelodau.

The Association

The Gwynedd Association of Craftworkers was originally formed in 1980 as a non-profit making organisation with the aim of promoting local craftworkers and their craft products. In 1989 it was expanded to include craftworkers from Clwyd and still retains its original aims, and now goes by the name Gwynedd & Clwyd Association of Craftworkers.

The Association is proud of the high standard of workmanship crafted by its members and organises several craft fairs throughout North Wales every year, giving its members an opportunity to display their crafts to the public.

All the products for sale by our members are made either wholly or substantially by them.
